

It's fun to share the things you love.

That includes your dentists.

With our "Refer-A-Friend" program, BOTH you and your referral receive a \$25 gift card of your choice!

We'd like to say "thank you" for your kind referrals of family and friends to our practice. So, for a limited time, you'll receive a \$25 gift card of your choice each time you refer a new patient to our practice.\* That's EACH new patient. Refer a handful of co-workers and pick up a stack of cards!

In addition, each person you refer will also receive a \$25 gift card at the conclusion of their first visit.\*\* It's a win/win/win proposition! You win, your friend or family member wins, and our practice wins a new, satisfied, long-term patient! Hey, what could be more fun?
